## Nation wide Medical Bandh

on 25<sup>th</sup> June, Monday

### Important and Very Urgent

Dear IMA Member

IMA along with several other stake holders will observe Medical Bandh on Monday, 25<sup>th</sup> June. Vadodara IMA representatives are attending National Meeting and Dharna in Delhi.

### The programme on Monday, 25<sup>th</sup> June will be as follows.

- 09-30 AM Assemble **inside** the Mahatma Gandhi Nagar Gruh
- 10-00 AM Appraisal of members with regards to our various demands and current status on that day
- 11-00 AM Dharna outside Mahatma Gandhi Nagar Gruh followed by Rally to submit memorandum to the Collector.

This is a very urgent matter, and if we do not unite and show our strength and concern now, the impending enactments from parliament will not only destroy the entire medical fraternity, but future of several bright students from vernacular background.

Enclosed is a poster that has already been displayed at various cross roads in the city. It contains point on which we need to sensitize our patients and the mass.

Also enclosed is the announcement of Bandh, Please display these two posters in your waiting area. IMA has to be proactive towards these problems and your full support is anticipated. IMA may not be able to support those individual members in future, who remain away from Dharna and Bandh.

Also enclosed are some other salient points on IMA's Demands and Suggestions.

You are requested to take your seat inside Mahatma Gandhi Nagar Gruh well before the programme on first come basis. Circulate this among other IMA Members and bring them to the Dharna. Also continue to sensitize the relatives, patients, neighbors and the mass.
